**SCHEELS DONATES TO NON-PROFIT, HOME FRONT MILITARY NETWORK**

COLORADO SPRINGS, Colo., March 29<sup>th</sup>, 2021—non-profit Home Front Military Network (HFMN) received a donation from Scheels in celebration of their Grand Opening (Saturday, March 27th). HFMN was one of two organizations selected to receive a \$10,000 donation as part of Scheels’ investment in the local military and veteran community.

Home Front Military Network Vice Chair John Andrew adds, “We are both honored and grateful to be recognized as the collaborative organization we are making a tremendous difference in the lives of our military service members, veterans and their families throughout our community. We are thrilled to welcome Scheels to Colorado Springs and impressed with their commitment to distinguishing themselves as a remarkable community partner.”

Scheels indicates that this is not just a one-time donation, but rather the beginning of a partnership as they prepare to open their doors and serve the community. Both organizations look forward to cultivating and growing this partnership and believe it is a demonstration of the unique relationship between the civilian and military/veteran community of Colorado Springs.
