HFMN 2024 FOURTH QUARTER NEWSLETTER

A WORD FROM OUR LEADERSHIP

Greetings and Happy New Year,

I am deeply grateful to everyone supporting Home Front Military Network's mission to assist service members, veterans and their families in our great state of Colorado. It is an honor to continue serving on the Board as the new Board Chair and to witness the passion, creativity and incredibly hard work of the staff, volunteers, supporters and partners. It is truly awe inspiring!

A special thank you to retired Brig. Gen. John Andrew for his leadership as Board Chair over the past 2 years, during a time of major growth and increasing need. His leadership has been invaluable, and we are fortunate he will continue to serve on the Board.

As we embark on a new year, I reflect on last year and the ***important impacts*** HFMN has made to support service members, veterans and their families. In 2024, we continued to have very high call volumes and the complexity of needs increased significantly. We provided more than \$250,000 in emergency financial assistance, keeping 187 households from becoming homeless or being without other basic needs. Our case managers helped our clients identify their needs and those of their families, connected them with the appropriate resources, then continued to support them through follow-up for as long as it was needed. We are extremely grateful to our partners, sponsors, and donors for your collaboration and support. It makes all of the difference in helping us serve those who have sacrificed so much.

Sincerely,
Lisa Dykhoff, Chair
HFMN Board of Directors
