HFMN 2024 SECOND QUARTER NEWSLETTER

A WORD FROM OUR LEADERSHIP

We are already halfway through the year – and it has been quite a year so far! The HFMN team has been busy, participating in more than 120 outreach events, connecting with 3,500+ service members, veterans and family members. And our case management team has handled more than 8,300 calls for assistance, working with 1,500+ unique households. We have also provided more than \$123,000 in emergency financial assistance, keeping vulnerable individuals and families from becoming homeless or without other basic needs. Our partner agency network continues to grow, as well, with more than 50 partners providing critical services to our military and veteran community.

I am so grateful to all our sponsors, volunteers, and golfers who participated in our 11th Annual Honoring the Brave Golf Tournament! Thanks to you we were able to raise more than \$54,000 to support our mission to assist service members, veterans, and their families. As we prepare for our upcoming 8th Annual Honoring the Brave Breakfast in September, I want to express my sincere gratitude to all who support our work. Together, we make a tremendous difference!

THE LIVES WE'VE CHANGED

"While working with Amy at the Home Front Military Network I will say it was so easy. Homefront listened to me, listened to our needs, and just gave me the contacts of who I needed to speak with, and it didn't end there. HMFN is there for you because of what you did, the sacrifices that you made, and they are there to support."

"I came across an article and called the Home Front Military Network and talked to Amy Cutler within a day of leaving my contact information. Oh my gosh, hands down, she is a godsend. She's an angel for her to do what she does. It has been a blessing over three months of her helping me out"
