HFMN 2024 THIRD QUARTER NEWSLETTER

A WORD FROM OUR LEADERSHIP

Thank you for helping us make a difference!

We are pleased to share with you updates on our third quarter activities and provide a preview of the fourth quarter. To-date, calls for assistance to HFMN remain high, and the number of complex cases continues to rise. Some of our clients share how HFMN impacted their lives below. We have added to our partner network, with 51 amazing partners currently, and we remain busy with outreach – helping connect service members, veterans and families to critical resources; so far this year, the HFMN team has participated in more outreach events and connected with more individuals and families than we did in all of 2023! Our team remains busy and dedicated to improving the quality of life for our military and veteran community.

In the upcoming quarter, we will continue to increase our capacity to meet growing needs – thanks to you! We are grateful for your partnership and support of HFMN and those we serve. As we enter the next quarter and giving season, there are several ways you can help us further our mission. Please see below for ways to support HFMN. Thank you for all you do to support our military and veteran community!

Sincerely,
Kate Hatten
HFMN Executive Director
